

## **NEW Class Addition!!**

### **Exploring Clay**

**Cost: \$70.00 8/31/10–10/5/10 Tues 6:30pm–8:30pm H026 23341**

Explore the possibilities of hand-building techniques and decorations to make useful items for the home, jewelry, or decoration. Students will receive ideas for items they can choose to make but are encouraged to also use their creativity to create pieces of art for themselves. The class will be composed of six evenings. The first four evenings will be spent in construction while the last two evenings will focus on decoration and finishing. Some work will need to be picked up on a date after the last class.

Contact Terri de Friess at [tdefriess@wpcc.edu](mailto:tdefriess@wpcc.edu) for more information.

### **INTRO TO SMALL SCALE LATHE OBJECTS**

**Cost: \$125.00 9/21 - 10/14 TTH 6:00pm - 8:00pm J-20 23209**

This class will explore small scale decorative and functional objects using a lathe. The goal of this course is to learn how to make low price point products, such as pens and bottle stoppers, for selling at craft shows. All skill levels welcome.

### **WOOD TURNING BASICS**

**Cost: \$125.00 10/19 - 11/11 TTH 6:00pm - 8:00pm J-20 23210**

This fun and informative class is a basic introduction to woodturning. Included will be shop safety, sharpening, and tool usage. We will be working on various projects with an emphasis on bowl turning. Successful completion of the course will give individuals a foundation to pursue wood turning as a career or hobby.
