Account Summary by Term

How much financial aid do I have left on my account after tuition, fees and books?

- Choose current term

A negative amount in the balance section should be the amount of your refund. A positive balance is the amount you owe.

Please note: 1 to 2 weeks prior to check disbursement dates amounts may differ or show a zero balance due to internal processing.

Use this tool during registration. When you have registered for classes and purchased books. Check prior to the census date.

My Class Schedule

My Profile

Is my mailing address correct? Who is advisor?

It is important to keep your mailing address current in the records department.

Update your mailing address by completing the proper form(s) in the Records Department.

*Updating your address on your FAFSA does **NOT** update your Admissions Record.*

Documents for Financial Aid

Do I need to turn in any documents to the Financial Aid Office to complete my financial aid file?

Please note: If you have outstanding documents, your financial aid **cannot** be processed.
